WELCOME TO CHETWYND HOUSE

Chetwynd House Care Home, located in Chilwell near Beeston, provides residential, dementia, respite and day care. Independence, dignity, and happiness are the cornerstones on which our care is based, and our highly qualified teams pride themselves on providing person-centred support adapted to each individual's unique needs.

Our five separate care suites for individual and small community living each features its own tastefully decorated and furnished lounge, restaurant-style dining facilities and lifestyle kitchen. Residents can also enjoy relaxation and privacy in our well-equipped and spacious bedrooms. Our catering team take great pride in preparing a great choice of high-quality fresh food to nourish and enjoy.

LIFE AT CHETWYND HOUSE

We host a varied and engaging programme of activities and events, designed to enhance residents' physical, mental, and spiritual well-being. From creative pursuits such as painting, baking, and gardening, to regular visits from local performers and entertainers, our activities are curated to inspire and engage our residents individually and as a community.

For day-to-day enjoyment, we also have an extensive choice of lifestyle facilities throughout the home, including a spa bathroom, hair salon and nail bar for a little pampering. We boast our very own pub, The Barracks, where residents can enjoy catching up over their favourite tipple, an in-house cinema, and a café where residents can enjoy a coffee and a catch-up with friends.

Chetwynd House is a home away from home, and our caring and experienced team is passionate about providing everything needed to live a fulfilled and meaningful life.
